

Parklands Infant and Nursery School – SMSC and Emotional Literacy Domains in PSHE

Every Jigsaw lesson from EYFS to Year 2 offers opportunities for children's spiritual, moral, social and cultural (SMSC) development, and this is clearly mapped and balanced across each year group. Likewise, Jigsaw is designed to provide structured opportunities in every lesson to practise and enhance the five skills associated with the emotional literacy (self-awareness, social skills, empathy, motivation and managing feelings). These opportunities are vital for children's development, their understanding of themselves and others and in increasing their capacity to learn. The following grids give a quick visual reference and summary of where these opportunities sit within Jigsaw.
